On the road with Lightstone Auto

In the latest edition of *Auto Insights*, Lightstone Auto takes a look at how, **while new vehicle sales are climbing, there are less vehicles on the road** and they're getting older! Lightstone's latest data reveals **what SA's under 35s prefer.** Changing preferences is also the focus of **a report that assesses the contribution of big OEMs to SA's new vehicle sales.** Finally, take a look at the winners of the **Lightstone EchoMBR Ranking Awards** and the **F&I Star Reacher Awards.**
